

## NITA PRESENTS

### QUARTERLY MEMBER PROFESSIONAL DEVELOPMENT

## TOOLS FOR TRANSLATORS

Tools: firstly an abstract discussion of the pros and cons of working with electronic tools in translation, then a practical, hands on demonstration of a number of popular tools, including software for voice recognition, OCR, and computer aided translation. The market leaders among CAT tools will be discussed.

There will be ample opportunity for practical questions on tools that you are considering using.

### SPEAKERS:

**THEORY:** Álvaro Degives-Màs, state certified court interpreter and freelance translator

**PRACTICE:** Karen M. Tkaczyk, Ph.D., ATA certified freelance technical translator working daily with a number of electronic tools from her home office in Gardnerville

### COST:

Free. Members should feel free to bring a friend or colleague.
